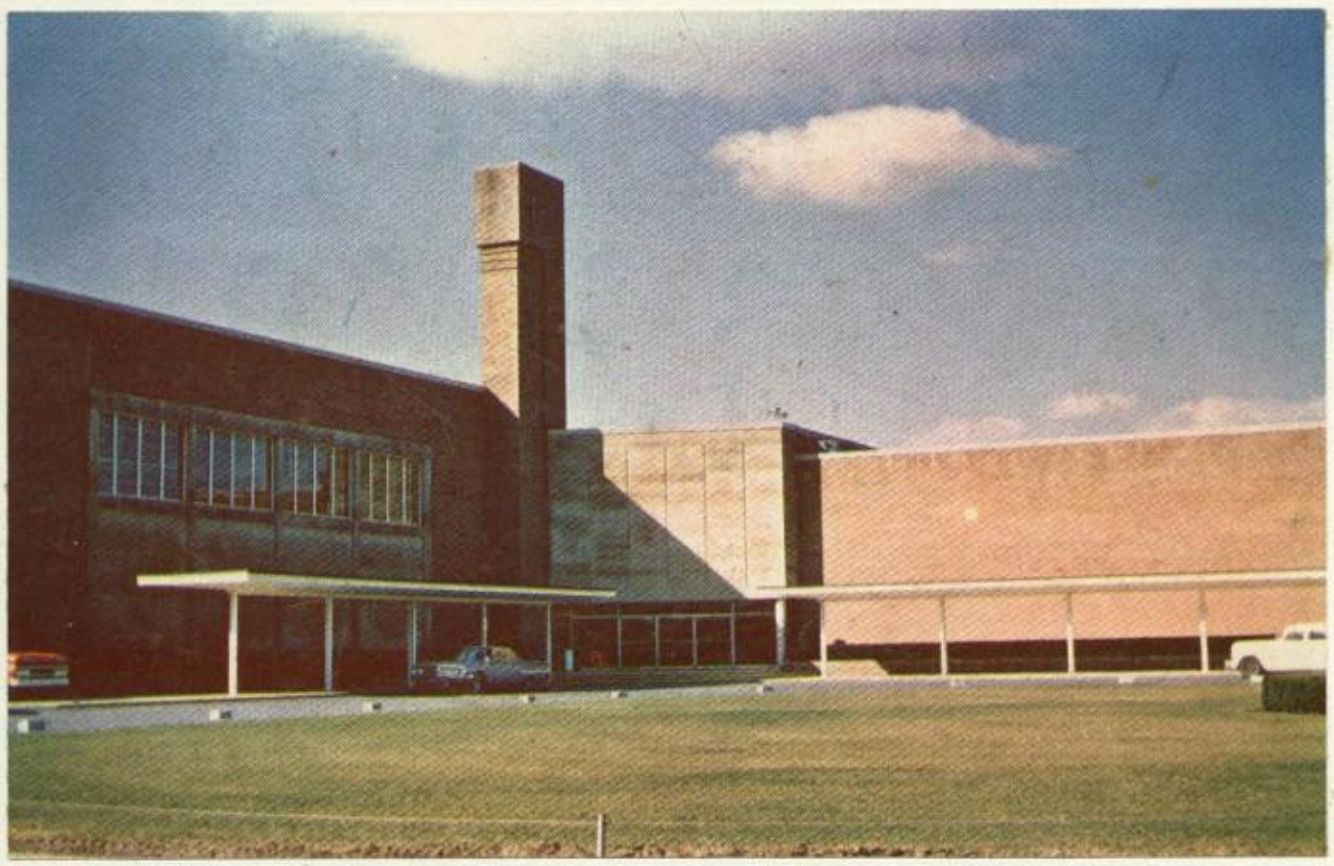
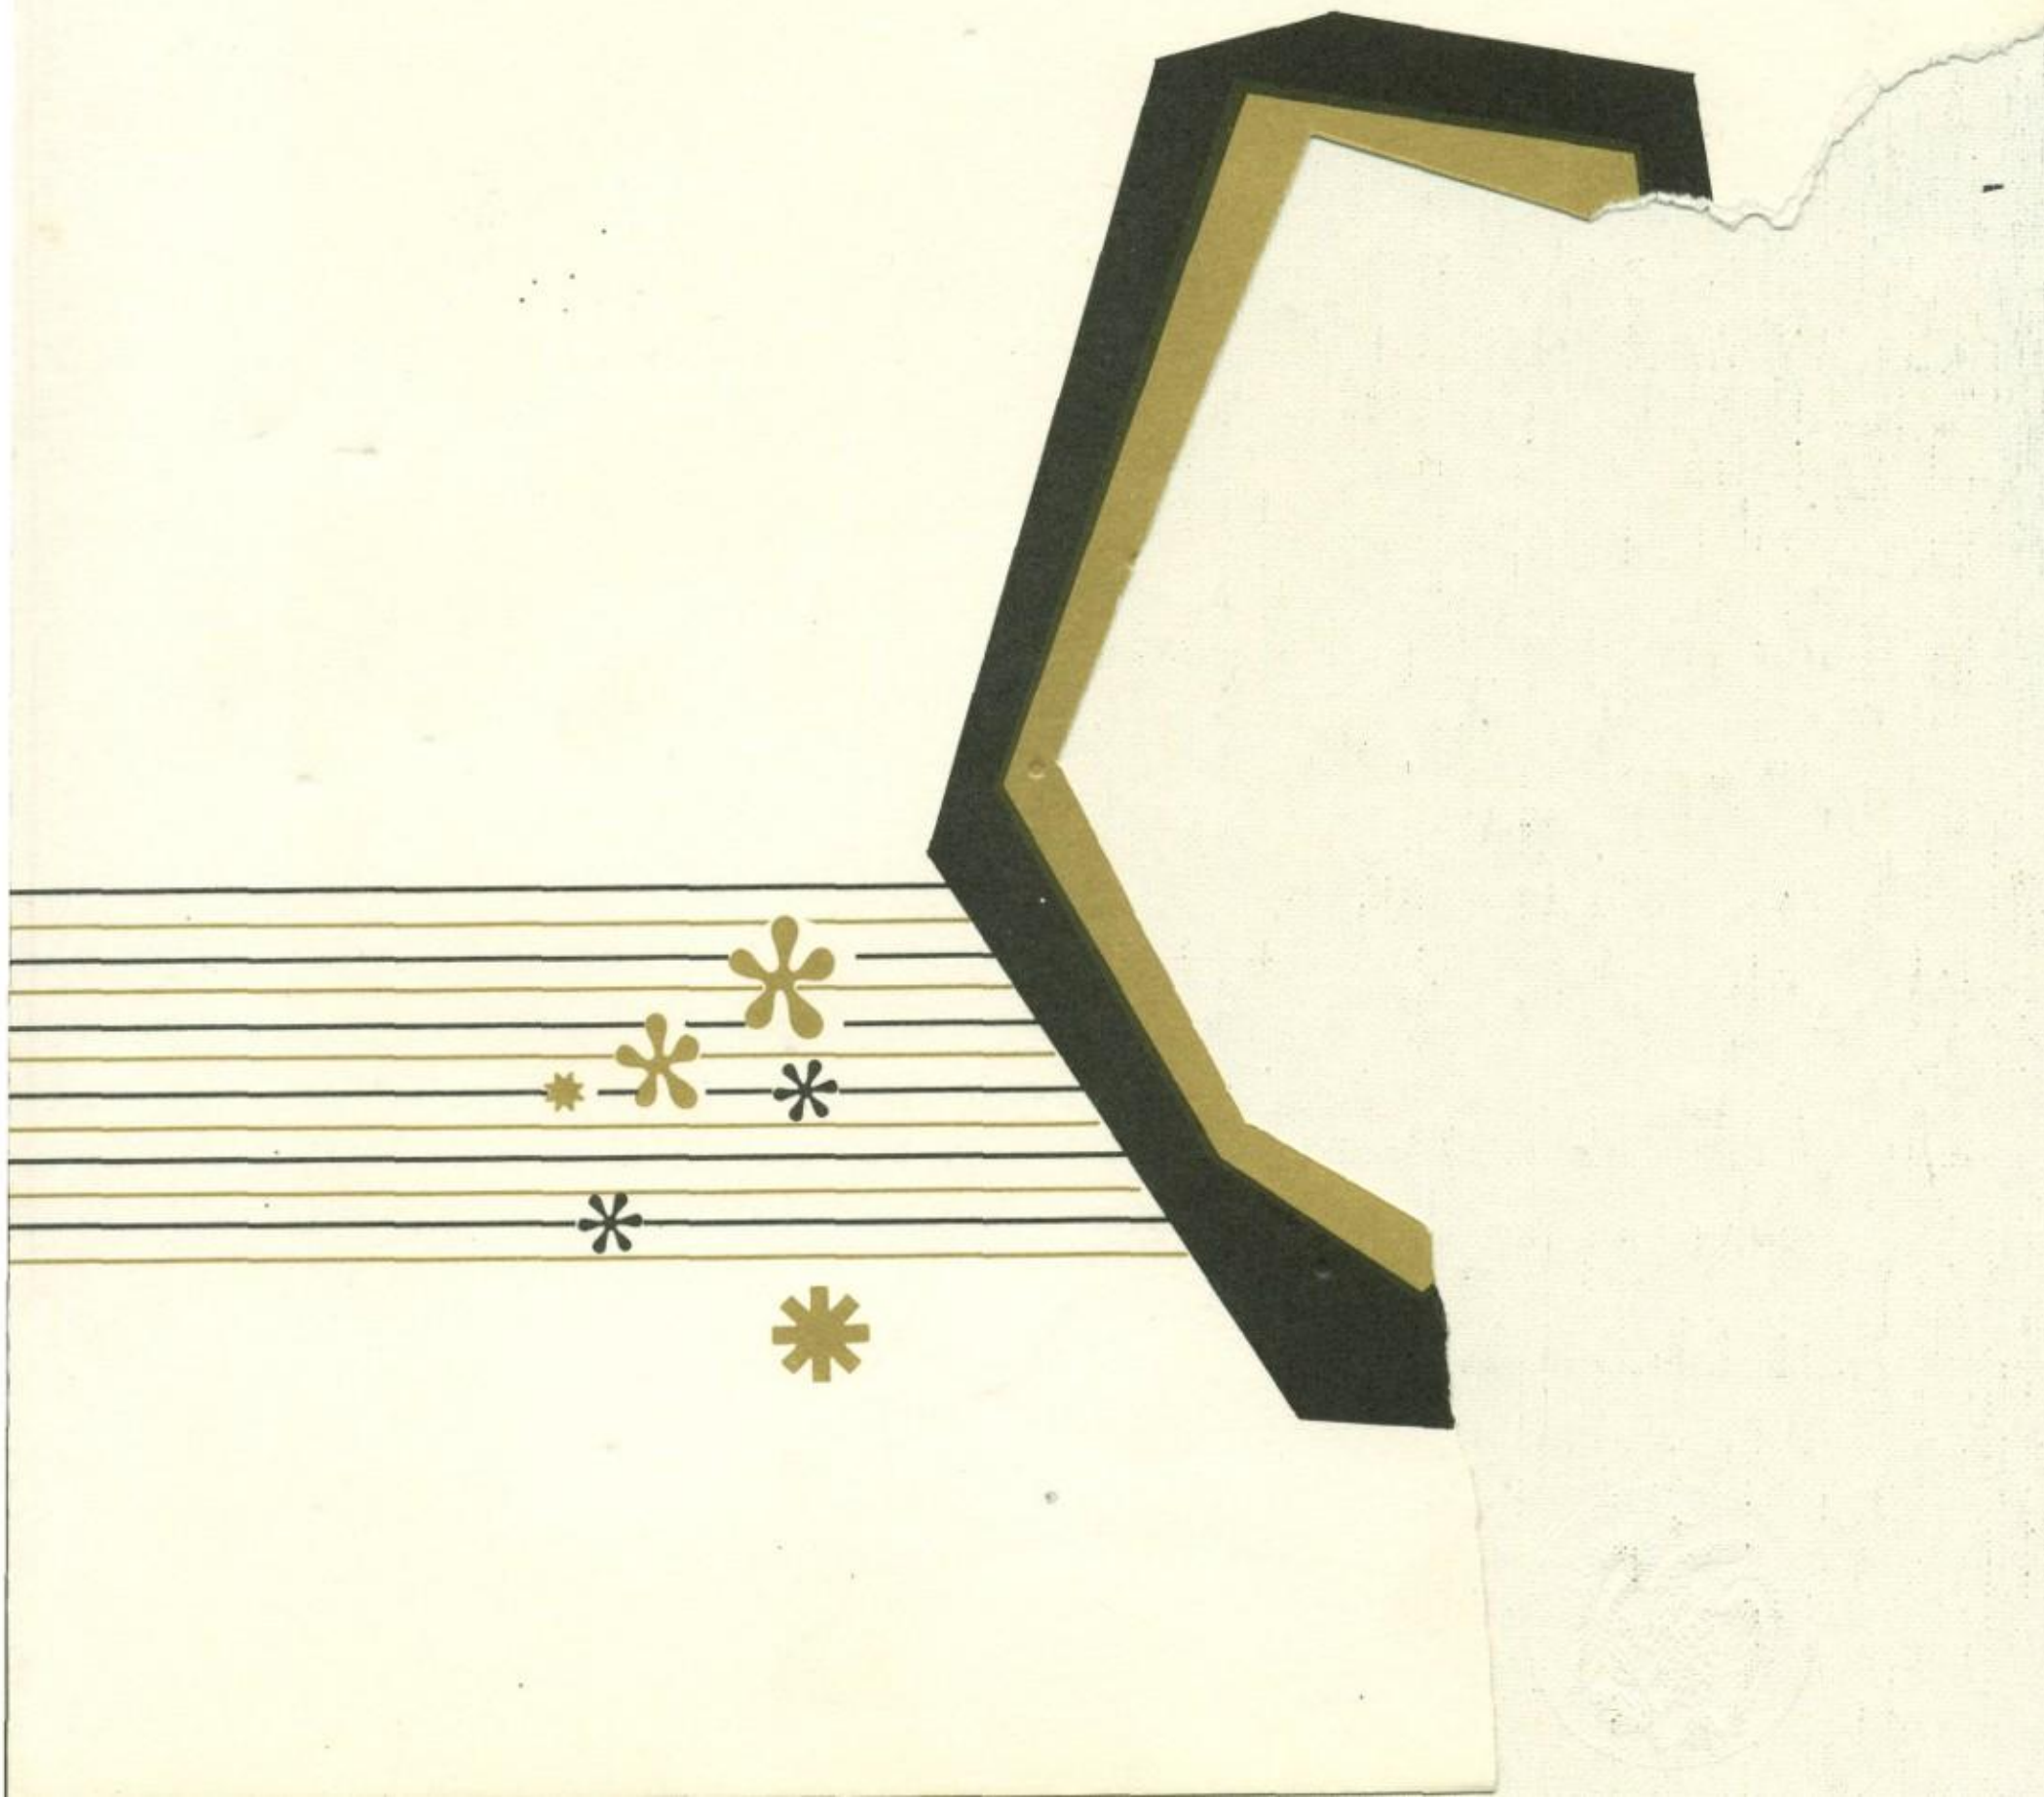
1963



PANORAMA

Linda Myers Home Room 102 Mt. Levy
Tenth grade.



Presenting —

Life presents itself in many contrasting forms. Looking at life, we see within it many opposites — the dark of night and the light of day, the sorrow of death and the joy of birth, the terror of war and the tranquility of peace, the carelessness of youth and the responsibilities of age, the dignity of a senior and the carefree attitude of a freshman. These opposites do not and can not stand distinct and separate, but they are drawn toward one another as black and white blend into gray. Our schooldays are also an example of contrast — study and play — which combine to form the well rounded individual.

Northern 1963

Dedication

We, the Seniors of 1963, would like to dedicate our yearbook, the Panorama, to our many freedoms — speech, thought, expression, religion, assembly, and action.

If it were not for freedom of will, we would not have the privileges and opportunities to learn as we do. Without this freedom to think and act, we would not be the people we are today and will be tomorrow.

We owe a large debt of gratitude to our forefathers who nurtured our freedom and through self-sacrifice preserved it for us.

In Memoriam

LINDA LOU HOPEWELL
1945-1961

As we go through life, we may experience many sorrows, but we can imitate the courage, hope, and faith in a brighter tomorrow of Linda as she went to the world beyond.

Faculty and Administration

We live in deeds, not years; in thoughts, not breaths;
In feelings, not in figures on a dial.
We should count time by heart throbs. He most lives
Who thinks most, feels the noblest, serves the best.
Franklin.

Linda
Best of luck
to a real okay girl
in the 10 grade. Take
care and don't forget
me
A-A
Gerald

Linda
To a real dear girl with a great personality.
Always stay as sweet as you are and you
will be loved by all. May your future
bring God's best of luck with that
certain guy! (Susan). A. A. a.
'Wrecka '65'

P.S. I hope it stops snowing. Hm!

Members of the Class of 1963:

Your high school careers are drawing to a close. Your journey to this point has not always been easy — there have been disappointments, discouragements and short comings, along with many things that can be counted on the brighter side. As you leave Northern High School all these things will not immediately change. There will be bright times as well as bad times. We hope that you will be able to meet these varying conditions, make the best of ever changing situations, and continue on to success throughout life.

My best wishes for such a future for all of you.

EUGENE F. WILLIAMS
Principal

Guiding

bers of the Class of 1963:

ng.ulations to you upon your graduation n Northern High School!

We hope that you are well prepared to meet the challenge of the future. Never cease to learn. It is strange but, nevertheless, true that the more you learn the more you realize how little you know.

"Wisdom is the principal thing; therefore, get wisdom: and with all thy getting, get understanding." Proverbs 4:7.

Learning to Reason . . .

Harold W. Swartz B.S., M.A.
Shippensburg
Rutgers

In our Mathematics Department, the aim is to treat mathematics as a living, growing subject. Our course of study calls for a division of pupils into three groups, academic, general, and business, with some division and specialization within each group. All three groups learn the intricacies of numbers which have puzzled all generations through the ages.

The work for all groups, academic, general, and business, is geared to mastery of fundamentals always stressing the importance of mathematics in the fast changing world of today.

In order to move with the times, the department uses new teaching techniques and new concepts.

Mildred MacCluskie, B.S.
Millersville

Exploring and Investigating

By studying the planets, outer space, and the stars; the processes of life and death in plants and animals; a general view of earth science; the function of a machine; the structure of plants, simple animal forms, the atom, and the complex human body; the chemical composition of our world; and the physical properties of a substance as well as heat, electricity, light, sound, and radiation; the students receive a comprehensive view of the universe.

With a background of general science, earth science, biology, chemistry, physics, and geography, students leave school with a general comprehension and appreciation for the changes taking place in the world about them.

The physical education program aims at developing good sportsmanship and a fundamental knowledge of tumbling, apparatus work, sports, and games. The students, through working together and getting to know one another, achieve personal satisfaction and a feeling of accomplishment. The student learns the importance of a strong healthy body and the means of keeping a body in top physical condition.

Using Our Language with Skill and Grace

Students at Northern are doing more writing then ever before in order to be prepared for the positions they will assume when they complete their educations. The English Department believes that composition leads to the reading of deeper and more complex materials, the clearer organization of thoughts and ideas, and the ability to communicate with one another exact ideas. As man makes advances in the scientific field and his life becomes more complicated, the ability to communicate and express new ideas increases in importance. If we speak effectively, others will listen to what we have to say.

English is the native language of nearly 300,000,000 people. Being the language of the world's most magnificient literature, the understanding of English carries with it the heritage of the best that has been thought and written, available to all of us in the writings of Chaucer, Shakespeare, Milton, Donne, and hundreds of others. The wisdom, observation, and the power and the beauty of the language of these renowned authors have contributed to man's understanding of his fellows.

Through the efforts of our Social Studies Department, the students develop means for exploring ideas and forming opinions that lead to constructive citizenship, realize the lessons to be learned from the past, practice desirable behavior and obedience to the law, and appreciate our country America — her heritage, her people, and her culture. Since the strength of our country depends on her people, the students gain an understanding of the democratic system and the responsibility each must assume to sustain it. Through the study of geography, our place in the world and our responsibility to the peoples of the world are emphasized.

Clothing, food, and home management are the major interests of the home economics teachers. By giving the girls an opportunity to learn the basic skills of homemaking, they are prepared to assume the roles of homemakers because they develop the ability to manage a home efficiently, keeping healthy and happy.

In the Industrial Arts Department students gain experience in mechanical drawing, wood, leather work, and metal. Since the course is required in the junior high, the teachers provide a variety of activities so that each student can find his particular interest and develop his ability in that field and perhaps specialize in this interest in senior high.

The course of studies in Vocational Agriculture is popular because of Northern's location. It offers training in the field of farming which is becoming more scientific every day.

The members of the Business Education Department supervise students in helping with the business responsibilities of the school, thus giving them a large amount of practical experience. Emphasis is placed on the development of the student as a competent, skillful worker ready to accept responsibility in the world of business.

The music program at Northern begins in the elementary school of the system. Pupils in the junior high school study music and may join the choruses and the band. Students of the senior high school may join the choir, senior high chorus, or the band. They may also elect a course in music theory where they learn dictation, syllable-singing, and harmony as well as theory. Although band and choir are electives, all Northern High School students are graduated with a background in music.

The foreign language department develops a pupil's abilities to understand, speak, read, and write foreign languages as well as appreciate and respect the ideas and culture of the people whose language he is studying. Special education is provided so that all students may benefit from our educational program.

Our friendly and active librarian is always willing and eager to help students select books of interest and use the library to find needed materials.

Through safety education pupils learn both in the classroom and behind the wheel the best methods of driving the modern motor vehicles.

Art gives the students an opportunity to express themselves freely. If you notice posters for school events, scenery for plays, or art in school newspapers or the yearbook you have seen a few of the many services art students perform for the school.

Developing Creativeness and Useful Activities for Our Future

These able-bodied people are responsible for the efficient operation of our school. The cooks prepare our daily meals. The school custodians work late into the night to keep our school clean and attractive. Taking pride in their work, our secretaries perform their duties with efficiency and ability. Never shunning any responsibilities, they are ready to help a student or teacher in distress. As students, we realize the roles these people play in making our school day run smoothly.

Are Our Service Personnel.

In the Forefront of Our Class

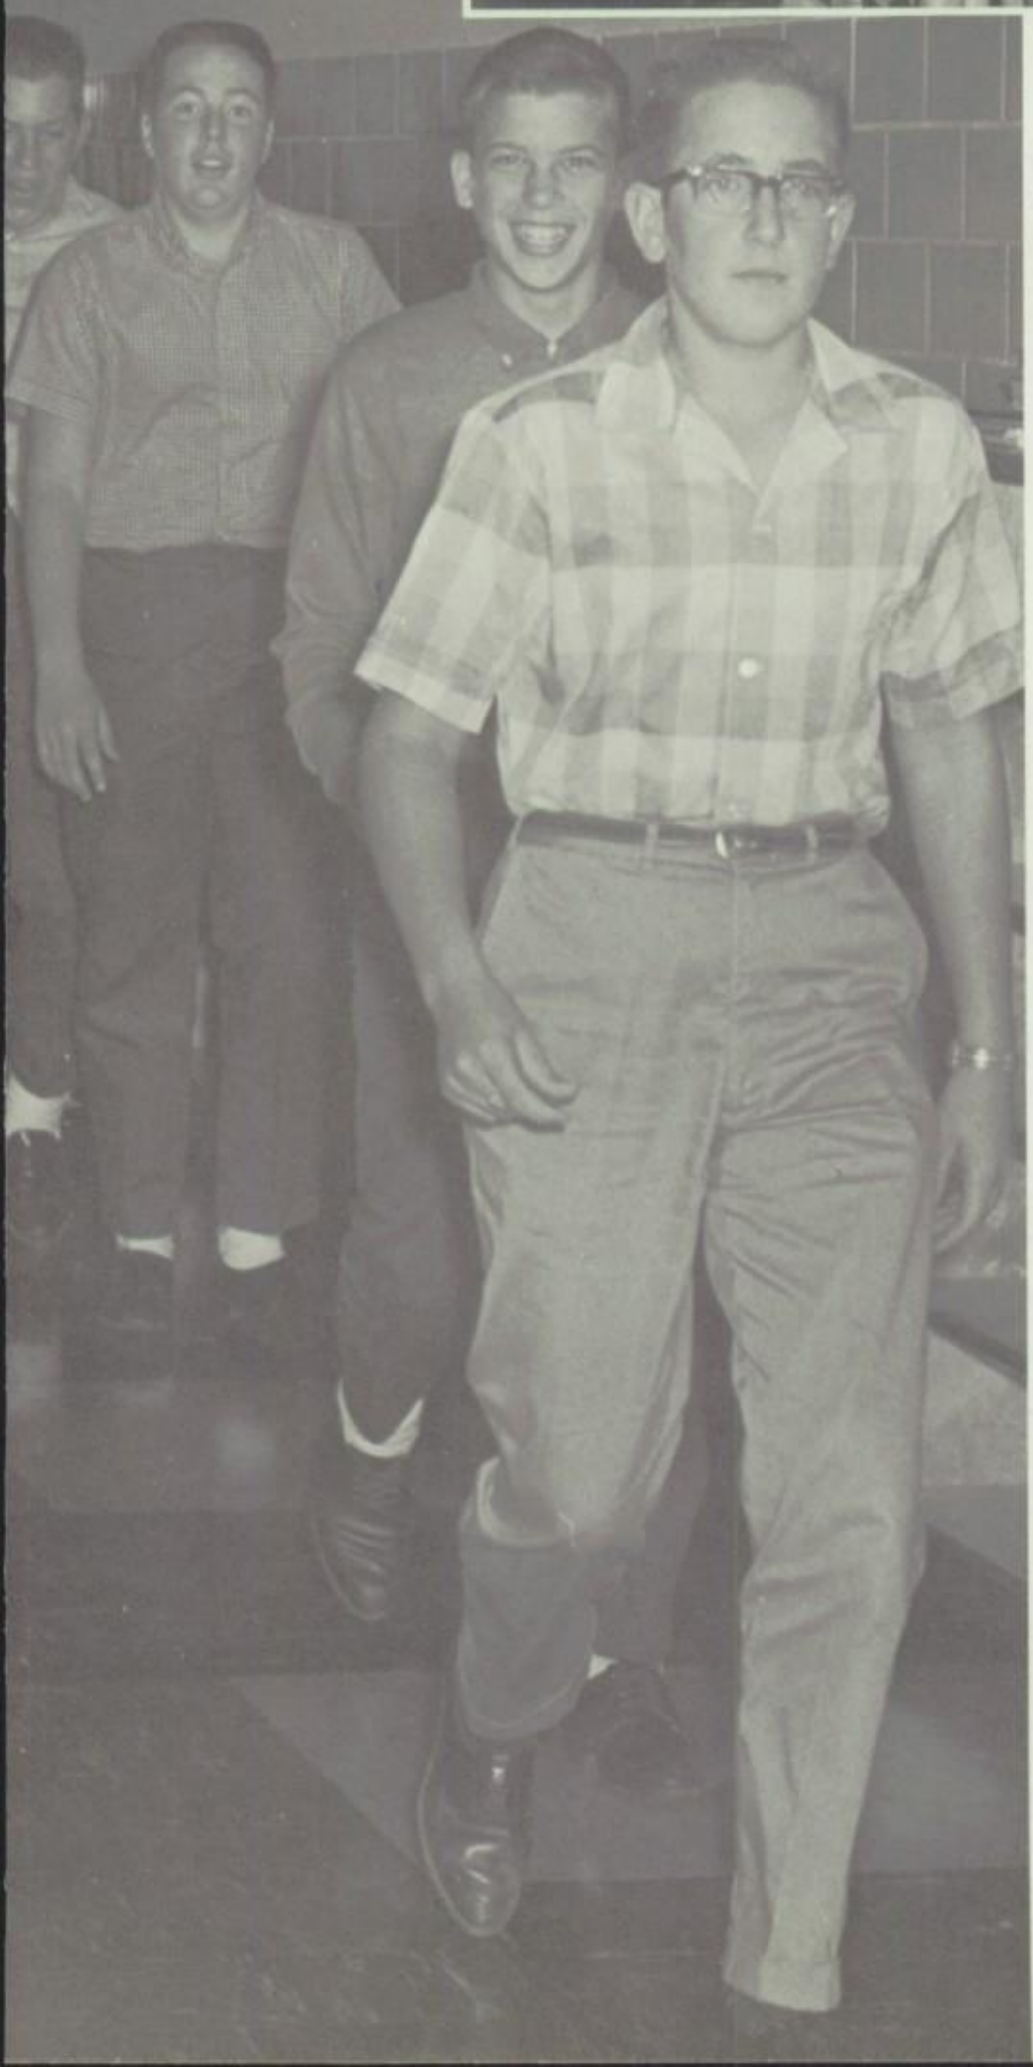
CLASS HISTORY

The Class of 1963 had its beginning when we started school in September of 1959. Mr. Terry, our class advisor, gave us the initiative to turn from being scared and bewildered to being organized and confident. Our leaders were Jon Sileo, President; Janet McMurtrie, Vice-President; Joy Neidig, Secretary; Jane Dick, Treasurer; and David Roberts, Historian. Our historian was elected for a four year term. During this year we sponsored a dance and a skating party and participated in the Farmers' Day activities. We had a refreshment stand at the parade and built our first float, "The Russians Can Have the Moon, We Have Venus." We ended the year with a healthy treasury and a trip to Washington. Fortunately the day was warm and sunny as we toured the majestic buildings of our nation's capital.

September 1960 saw us as Sophomores — eager and willing to work for a successful year. Three of our members, Ray Hartman, Harry Miller, and Fran Rinehart, had roles in the Tri-Class Play, **The Skeleton Walks.** Leading the class under the supervision of Mr. Terry were Ruth Myers, President; Charles Grove, Vice-President; Isabel Coulson, Secretary; and Bob Beeler, Treasurer. Participating in Farmers' Day with a refreshment stand and a float with a patriotic theme increased our treasury.

At the beginning of our Junior year Mr. Wagener became our advisor. Under his direction the class prepared for their first big event — the Prom. Lorin Stough served as President and Jon Sileo as Vice-President. Keeping the records of our class projects — the stand at Farmers' Day, a float based on poinsettias, and the skating party — were Don Harlacher, Treasurer; and Fran Rinehart, Secretary. Several of our members helped to make the Tri-Class Play **Our Miss Brooks** a success.

Our biggest and best year was also our last. Mr. Wagener was again our advisor. Our float "Camelot" and our stand at Farmers' Fair were both profitable. We took particular pride in Dianne Seibert being chosen the Queen of the Farmers' Fair. Nancy Pitcher was selected as the honor attendant for our Homecoming Queen. Many hours of practice went into making **Pass the Cream** a production of merit. At Christmas we trimmed the tree and sold candy. Our Christmas ball was the high light of the holiday season. The many joys that our class has shared will be engraved on the memories of each of us as we go through life.



Underclassmen

Oh, Youth, go forth and do!
You, too, to fame may rise;
You can be strong and wise.
Stand up to life and play the man —
You can if you'll but think you can;
The great were once as you.
You envy them their proud success?
'Twas won with gifts that you possess.

Wagner, D. Speck, L. Weigard, B. Troop, F. Stout.

Activities

Do not then stand idly waiting
For some greater work to do;
Fortune is a lazy goddess,
She will never come to you;
Go and toil in any vineyard,
Do not fear to do and dare.
If you want a field of labor
You can find it anywhere.

Striving to Perfect the High Ideals of a Life of Service and Honor

The Northern chapter of the National Honor Society has four members of our class who were admitted in their junior year. Qualifications for membership in this society include character, scholarship, leadership, and service. New members are nominated by the present members and voted on by the faculty. Fifteen percent of the Senior class and five percent of the Junior class are eligible for membership.

The object of the Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students.

Membership in this society is considered one of the highest honors that this school can confer. The emblem of the Honor Society has come to be nationally known and marks the wearer as an outstanding student. Membership in the Honor Society is a goal that many students strive for during their school years.

During the school year, the society directed devotions and introductions in assemblies, held a dance for new members, conducted a dance after a basketball game, and acted as guides at Back To School Night.

The biggest event of the year was the installation tea for the new members. Old members and parents of new members were also invited to the tea. The tea took place in the library after the installation assembly in the auditorium. In the installation service, the ideals of the society were explained to the new members. Each member took the oath of honor and promised to fulfill his duties. The members also received pins of recognition for this honor.

Ray Hartman, President

Donald Harlacher, Treasurer

Mrs. Armstrong, Advisor

Mrs. Armstrong has capably served as advisor of the National Honor Society for two years. She has helped the new members to accept roles of responsibility and also guided the old members to further the causes of the organization.

Jon Sileo, Vice-President

Donna Uhler, Secretary

Spring Memories

Our Prom with the class of 1962 as our guests was an overwhelming success. Everyone was excited and busy for weeks in advance. On May 19, 1962, our dreams came true at the Holiday Ballroom. We danced to the beautiful and romantic strains of the orchestra of Bob Aulenbach. We realize a debt of gratitude to the many members of the committees and our advisor, Mr. Wagener, for making "And Suddenly It's Spring" a success.

Throughout the years we will carry fond memories of this evening with us — memories of the colorful gowns worn by girls with poise and pride, the scented corsages signs of affection, the lavender and silver decorations, and the delicious food.

FIRST ROW — l. to r.: L. Flohr (2nd v. pres.), R. Witmer, (v. pres.), D. Roberts (pres.), D. Seibert (sec.), E. Danner (treas.), Mr. Frank. **SECOND ROW:** D. Sileo, J. Gerber, T. Wiley, B. Leading the Student Body to

The student government of Northern High School is the Student Council. It is composed of the elected representatives, the officers, and an advisor. The representatives are elected from each homeroom. The entire student body elects the officers in the spring of the preceding year. Mr. Frank, our capable advisor, has helped us in many projects to benefit the student body. This year we have made our foreign exchange student, Minette Gabus, an honorary member of the Student Council.

The many activities of the council this year have included a Homecoming bonfire, a dance in honor of our foreign exchange student, maintenance of vending machines (pencils, pens, tablets), the cafeteria jukebox, and the Honor Board, candy sales at basketball games and wrestling matches. The council has also adopted the policy of awarding scholastic letters to students making the honor roll three out of four marking periods. In order to encourage better relationship between the faculty and students, the Student Council will again sponsor a Student Day. This will enable students to better understand the responsibilities that go with teaching.

Our Student Council is an active part of our student life and deserves much credit for its accomplishments.

Foreign Exchange Student

In school Minette's favorite classes were history and English. Physics was the subject that interested her the least. Minette thought our school was very nice but that everything went too quickly. Her school in Switzerland is quieter, and she found homework very easy compared to the homework she had in her native land.

Minette felt that her year with us was a wonderful experience and one that she will always remember.

An exciting day for Northern this year was the arrival of our first foreign exchange student, Marienette Gabus. Marienette is from Le Loche, Switzerland. After spending three days in New York she arrived in Harrisburg on August 26. Minette stayed with the G. J. Pitcher family in Wellsville. Her "sister" Nancy was happy to have her as a member of her family and helped Minette in every way possible.

Marinette's nickname is "Minette," which most people find easy to say. In LeLoche she has one sister Janine and a brother whose nickname is Baboum.

Bigger and Better Accomplishments

Presenting the Year's Activities

Another year was recorded by the yearbook staff of '63. Many long hours of hard work have gone into making this yearbook full of school memories. As in previous years, our yearbook was called the PANORAMA. Nobody realizes how much work can go into a yearbook, except the yearbook staff. Not only were pictures taken, but also many little details were organized to complete this book.

Our editor-in-chief, Donna Uhler, together with advisor, Mrs. Rhone, worked hard to see that pages were completed, deadlines were met, and everything was finished properly.

David Roberts, our business manager, began early in the summer to solicit ads. His assistants also worked hard to persuade the businessmen of the town into helping the yearbook. These people also helped in the circulation department. Joy Bunner and Benny Gladfelter helped us create the art work in the senior section.

Without copy, our yearbook would not have been complete. Our two literary editors, Dianne Seibert and Fran Rinehart, strived to complete copy that would fit every section of our book. Don Harlacher and Nancy Pitcher, sports editors, were responsible for the interesting coverage of the sports at Northern.

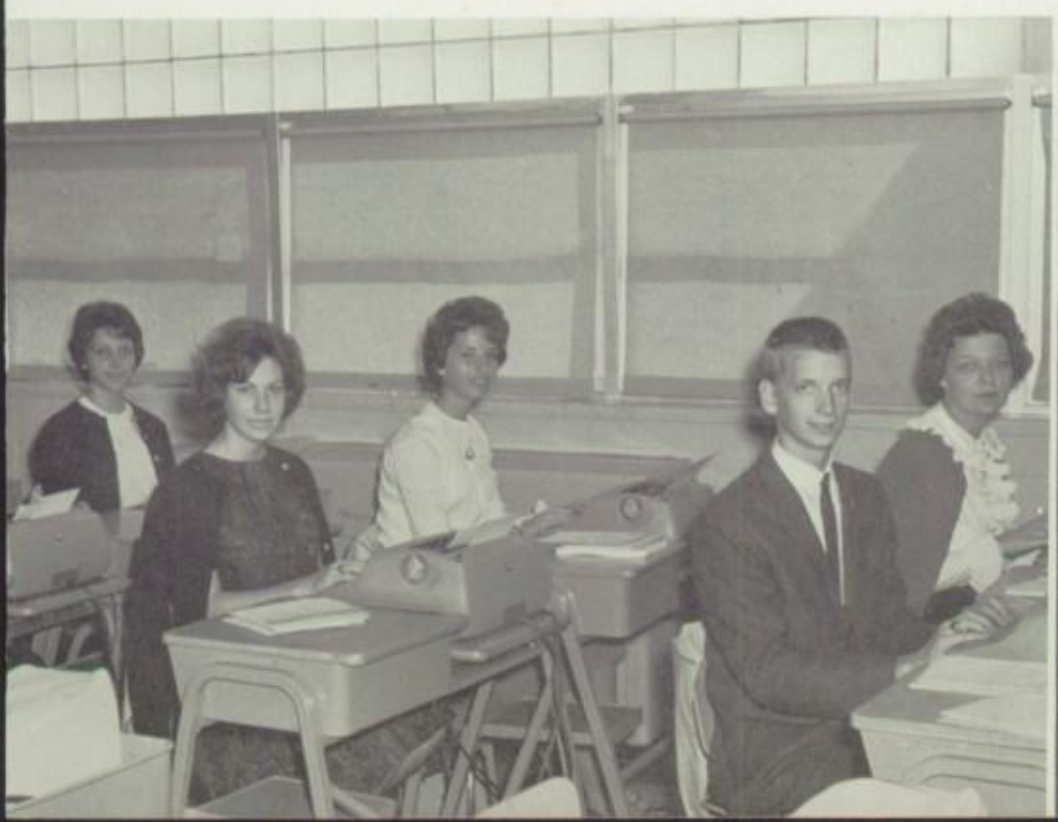
in Words and Pictures

Typing the copy to be sent was also an important step in completing the yearbook. Our typing staff, headed by Ray Hartman, worked to meet the deadlines also. Again, accuracy an important part in the process.

Mrs. Jane Rhone, our advisor, gave much assistance and encouragement to the staff in times of trouble. Mr. Blyler, our school photographer certainly helped by supplying many pictures we needed to complete the book. With the co-operation of everyone, we were able to produce the 1963 PANORAMA.



FIRST ROW — l. to r.: S. Smith, Mrs. May, D. Seibert (treas.), H. Miller (pres.), F. Chubb (v. pres.), P. Stambaugh (sec.), K. Wambold. **SECOND ROW:** G. Holloran, T. Toomey, F. Rinehart, G. Weigard, J. Cooke, E Blanchard. **THIRD ROW:** P. Albert, D. Roberts, B. Cromer, R. Hartman, B. Gladfelter, B. Baker.

Through Acting, Students Develop

The Drama Club is composed of both junior and senior high members under the direction of Mrs. May. The officers are Harry Miller, Pres.; Fred Chubb, V. Pres.; Phyllis Stambaugh, Sec.; and Dianne Seibert, Treas.

During the year, the club presented plays in assemblies. One play was "It's Cold In Them Thar Hills!", presented in January. The play was a great success, having been built around a hillbilly family with six teen-age daughters.

The club studied acting, make-up, costuming, methods used backstage, and other techniques necessary for the stage. These methods and techniques were also used in presentations, such as the Senior and Tri-class plays.

The Senior Class presented a three-act farce on November 15 and 16, 1962, entitled "Pass The Cream." The plot revolved around a business man who couldn't control his family due to the fact that he had too much money. For that reason, his family lost all common sense and spent money foolishly. To try to overcome the problem, he hired a secretary to handle the family finances. As a result, the family challenged the authority of the newly-hired secretary. The play proved to be very interesting and quite amusing.

The characters in the play included the following: Mr. Lamb, Fred Chubb; Mrs. Lamb, Phyllis Stambaugh; Richard Lamb, Ray Hartman; Bennings Dunahay, Harry Miller; Helene Lamb, Frances Rinehart; Rose, the maid, Jane Dick; Cousin Jane, Dianne Seibert; Clyde, Robert Wenger; and John Gibbs, Ted Bryan. Lloyd Wagener was the director of the play.

Near the end of the year, the Tri-class play was presented. Parts in the play were taken by members of the Sophomore, Junior and Senior classes.

Discovering the Importance

The Junior Science Club, advised by Mr. Watkins, is striving to inspire and stimulate interest in science. Some club activities were individual and group projects, which would aid the students with their classwork. A florescent rock and mineral display have been completed by the club in the past years.

The College Club, advised by Mr. Frank, has been organized this year. The purpose of the club is to help students who are college bound to learn about the advantages and disadvantages of different colleges. In club meetings, the members see films on colleges, discuss various admission requirements, and discover the different ways of receiving financial aid from colleges. During the year, they also took several college level tests. This club is striving to help students with their future decisions, and we hope that it will continue to do this in the future.

# of Various Occupations in Our Future

The Future Nurses Club is striving to gain experience for future careers. The club is advised by Mrs. Rider. The girls helped to arrange school health records; collected, sorted, and distributed clothing for use by needy families; filled a basket as a Christmas present for a deserving family; and sold school stationery. In club meetings, the girls heard speakers tell of the problems and rewards found in their nursing careers. Through their many activities, they developed an insight into nursing as their future career.

The Business Club has engaged in many interesting projects, one of which was to visit an actual trial at the Cumberland County Court House so that the members could witness genuine trial procedures. The club also saw movies and heard speakers. In addition to this, the organization prepared a follow-up report on the members of last year's graduating class who followed the commercial course. The purpose of this club is to prepare the members for a career in the business world.

Training for Useful Lives in the Future

The Junior Tri-Hi-Y is an organization of girls who are interested in helping others. In the past, they have tried to help needy people at Christmas and Easter, helped baby-sit at P.T.A. meetings, participated in district meetings, and held an annual Mother-Daughter Banquet. They raise money by selling candles, novelties, and cards.

The Junior Hi-Y, composed of boys, is endeavoring to create an understanding of the Y.M.C.A. and its ideals of Mind, Body, and Spirit. Its purpose is to mold leaders by example, opportunity, and experience and to give all boys a knowledge of responsibilities to home, life, and community. The club also helps the boys develop an understanding of each other.

The members of the Junior Photography Club learn the fundamental principles of operating a camera, and the correct way to take photographs and angle shots. The members of the Senior Photography Club learn the proper technique for developing films, making prints and coloring or tinting them. In addition to this, Mr. Blyler, the clubs' advisor, instructs the senior members in some portrait work.

Purple & White — the Students Speak

"Hey, who put **that** in the Wandering Flea?" was just one of the many familiar comments heard at Northern when our school newspaper, the **Purple and White** was issued.

With the increasing popularity of sports at Northern, the paper featured four capable sports writers: Ruth Myers, Girls' Sports Editor; Donald Harlacher, Boys' Sports Editor; Joel Heberlig, copy editor; and Jon Sileo, our feature writer, who wrote 'Bench Talk.'

Virginia Hess, the typewriter queen, was of invaluable assistance in deciphering the staff's heiroglyphics. The 'Michelango' of the staff was Joy Bunner, our talented Art Editor, who was an art major at Northern. Darlene Stum, the paper's quiet feature editor, assisted the staff members on many assignments.

Circulation and Exchange was competently handled by Ellen Nelson who was assisted by one of our best roving reporters, Sharon Pyper. Sharon also conducted many of the surveys taken for the paper. Other reporters who faithfully submitted articles for the paper were: Linda Hopf, Nancy Pitcher, Frances Rinehart, and Phyllis Stambaugh.

Our editor-in-chief, Janet McMurtrie, tirelessly worked with the staff to meet deadlines and produce an informative and interesting school paper. The faculty advisor, Mrs. Rhone, was always ready to give assistance and lend a helping hand to the newspaper staff.

The last issue was published, and next year a new staff will be chosen. The 1963 staff wishes to express their thanks to all those who helped us have a successful PURPLE AND WHITE.

STAGE CREWS

The Junior and Senior Stage Crews are in charge of the various operations in the auditorium. They build and paint backgrounds for plays, concerts, and other activities; correlate lighting effects with programs and assemblies; and arrange the stage in the ways that it is most effective. The Boys in the clubs spend many free periods fixing these things. Mr. Blyler is the advisor of the club.

Through Varied Organizations,

The Junior Homemakers were advised by Mrs. Goodling again this year. In this club, the girls learned how to run a home efficiently, how to plan events, techniques of sewing, crocheting, and cooking. The main purpose of the club is to prepare the girls for future life in the home. Through their activities this year, the club members gained much knowledge of home life and what to expect in their homes.

The Future Farmers of America, advised by Mr. Spoerlein, advanced their knowledge of farm life. The boys learned how to grow crops, raise animals, and many other responsibilities that go with farming. They held the annual F.F.A. night, won prizes in the 1962 Farm Show, and entered exhibits in the York and Dillsburg fairs.

Students Prepare for the Future

The Girls' Athletics Association parallels with the Varsity Club for the boys. Throughout the year, the girls played intramural games, held parties, such as bowling and ice skating, and held rummage sales to raise money. As in past years, the girls who received varsity letters and participated in the intramural program were honored with G.A.A. blazers.

The Library Assistants, advised by Miss Paul, our librarian, helped to make the library a more efficient place. Arranging displays, collecting money on overdue books, checking books in and out, and repairing and cataloguing books were some services given by these eager helpers.

JUNIOR HIGH BAND

Gaining Experience for Future Years

Each year, the graduating members of the Senior Band are replaced by members of the Junior Band. The Junior High Band works to increase its music skills each year. The members of the Junior High Band play more challenging music every year, and their sound improves every year. The Band practiced three times a week this year during the activity periods. They also played in the annual Music Night.

The Junior High Band Front had eleven members this year. These girls led the Junior High Band in the Dillsburg Farmers' Day Parade last year. The Junior High Band Front helps the girls gain experience for the future when they are members of the Senior High Band Front.

Northernaires Rock for Alma Mater

The NORTHERNAIRES are the final musical organization of Northern. This year, the Dance Band has sixteen members, directed by Mr. Richard Fyler. The Dance Band is ever striving for better sounds and wider fame. This year, they played for many occasions, some of which were the Farmers' Fair Contest, the Sample Fair, and the Lions' Club Anniversary Party. Every year, they play more difficult arrangements than those they played the preceding year.

Some of their arrangements are smooth and sentimental, while others are big and solid. Among the pieces they played this year were "Mood Indigo," "I'm Getting Sentimental Over You," "Leap Frog," "Love Letters in the Sand," "Tuxedo Junction," "Jersey Bounce," and some twists and "rock and roll" music.

The band also played at an exchange assembly with a neighboring school; at the Minstrel Show, which is held every year at the school; and at some dances at Northern and other schools.

Practice about two times a month helped to increase the quality of this organization and they are gaining increased popularity every year.

Senior members of the Dance Band this year were Bill Butler, baritone sax; Norman Bryan, trombone; Jim Myers, drums; Lorin Stough, trumpet; and Robert Wenger, string bass.

Many of the arrangements played by the Dance Band were arranged by individuals associated with the music department. The various and complex rhythms encountered in the music helped to develop good musicianship in the Dance Band members.

The basic objective of the Dance Band is to experience as many types of popular and dance music as possible. This leads to a greater understanding and appreciation of music and various forms of music.

SENIOR HIGH MARCHING BAND

Northern's Concert and Marching Band

This year the band has approximately 80 members. Capably directed by Mr. Richard Fyler, the band presented concerts, assemblies, marched in parades, and supported the football team at games. The band also went to Penn State Band Day and participated in the annual Harrisburg Marching Band Contest, where it received a "superior" rating. In the Christmas concert this year, the band accompanied the combined choruses in "White Christmas." Tryouts were held near Christmas vacation and the band settled down to work hard for the spring concert that was held in March.

SENIOR HIGH MIXED CHORUS

The Combined Choruses Contribute to

The Senior High Mixed Chorus, Senior High Girls' Chorus, Junior High Mixed Chorus, and Junior High Girls' Chorus help to build up the musical spirit of our school. Capably directed by Mr. Lauffer, the choruses have improved greatly every year. Many long hours were used for rehearsal of the many numbers the choruses presented during the year.

Through the year, the Senior High Mixed Chorus sang at churches, assemblies, and other places. Officers were elected and along with representatives of the various classes, composed an executive council. This executive council met during the year to set rules for membership and attendance.

The Senior High Girls' Chorus also sang at churches, assemblies, and in the Christmas Concert. In the concert, they sang "The Bells of Peace," "Little Baby Jesus," and "Jingle Bells."

SENIOR HIGH GIRLS' CHORUS

JUNIOR HIGH MIXED CHORUS

the Musical Enjoyment of Everyone

This year, the Junior High Mixed Chorus had approximately 125 members. This apparent enthusiasm along with good training will assure good senior high choruses in future years. The members of the Junior High Mixed Chorus sang in the Christmas Concert. One of the numbers they sang was "All My Heart."

The Junior High Girls' Chorus, with approximately 50 members, also played an important part in the music department of Northern. These girls worked hard this year and were proud of their organization.

The Junior and Senior High Mixed Choruses, accompanied by members of the Senior Band, presented "White Christmas" again this year at the Christmas Concert. Members of the four choruses also presented the annual choral concert in the spring and helped in the annual Music Night.

JUNIOR HIGH GIRLS' CHORUS

SENIOR HIGH BAND FRONT

Stepping High to Carry

This year the band front was composed of twenty-two girls. Six color guards and two banner carriers, captained by Barbara Knaub, were out in front of the group, followed by seven majorettes, with Kendra Weaver as squad leader. Evenly spaced behind them were five flag twirlers with Anna Weaver as captain.

STANDING — l. to r.: C. Rosenberger, J. Spahr, G. Chomicki, D. Murray, D. Estright. **KNEELING:** A. Weaver, Capt.

Seniors who participated actively in the Band Front were — l. to r.: K. Weaver, H. Nelson, F. Rinehart, J. Spahr.

STANDING — l. to r.: S. Cromer, L. Rumsey, D. Lutz, K. Weaver, Capt., S. Vollmer, J. Myers, N. Hunter. **KNEELING:** A. Long, Acrobat, and S. Shearer, Drum Majorette.

Following behind them are Angela Long, our acrobat, and Sue Shearer, head majorette. In order to pay for new uniforms, the girls sold candy bars, and paring knives. The girls followed their constitution and worked under a merit system to perfect their routines and practiced two periods a week. All of this hard work paid off when the girls obtained a "superior" rating in the annual Harrisburg band parade, a goal for which the girls were striving.

Last fall, the band front performed at the varsity football games and marched in many parades with the band. In the band concert in March, the girls presented a number of routines.

The officers of the band front this year were: Sue Shearer, President; Kendra Weaver, Vice-President; and Fran Rinehart, Secretary-Treasurer.

Home a Superior Rating

STANDING — l. to r.: B. Knaub, Capt., H. Nelson, B. McGrow, C. Gladfelter, J. Keiter, L. Myers. **KNEELING:** F. Rinehart, M. Speiss.

Always Playing Hard —

As the 1962 football season was in its first stages, the talk in the locker room each night predicted a league championship at the least, possibly an undefeated campaign. And it looked as though their predictions would come true as the Bears opened their grid season with a big 29-0 romp over Bermudian Springs. Fran Myers, Chuck Grove, Jon Sileo, and Jim Young were the big guns, each scoring one touchdown in this big opener.

The undefeated hopes took a jolt at Shippensburg as the Bears lost by a referee's flag. In the closing minutes of the game Chuck Grove let fly a long pass to Rick Stevens in the end zone which would have tied the score but Rick was dumped from behind creating pass interference. Believe it or not, the referee reached for his flag but it never appeared. Thus giving Shippensburg an undeserved 19-13 victory.

Championship hopes brightened as the Varsity mauled their next two victims Susquenita and Newport. Susquenita by a score of 27-6 and Newport by a score of 38-14. In the combining of the contests, Fran Myers scored three touchdowns, Rick Stevens also scored three, Joel Heberlig, Jim Young, Jon Sileo, and Dave Donmoyer each scored one.

Disaster struck as the Bears met East Pennsboro. Never again this season would the Bears regain confidence in themselves. East Pennsboro won easily 27-14. Both Northern touchdowns were scored by Rick Stevens.

One of the best games of the season was played against Gettysburg a newcomer in the Blue Mountain League. Although the final score showed Gettysburg on top 33-25, this does not represent a true picture of the entirety of the game. Gettysburg took a commanding lead 20-6 at half-time but the Bears came right back scoring three touchdowns within a matter of minutes. The big turning point came as the score was 26-25, Gettysburg in the lead, but Northern having possession of the ball. Quarterback Chuck Grove tried his best throwing four passes, each one falling incomplete. The big if in this game was only if Fran Myers had been up to full strength, an entirely different picture might have lain ahead.

There is not much anyone can say about the Big Springs and Camp Hill games. The Bears lost both, never seeming to be in either game. The play of the team in both games was never up to power. The Big Springs score was 33-19, and the Camp Hill score was 18-7.

The Biglerville game scheduled for November 3 was rescheduled for the following Monday at Biglerville because of rain and snowy conditions. As it turned out, neither team received any benefit from the rescheduling, as the final score was deadlocked at 20-20. Jon Sileo scored two touchdowns, and Jim Young scored the other.

The final game of the season was played on our home field against Boiling Springs. The boys put on a spectacular show, defeating the Bubblers, 38-7. Rick Stevens went across the strip scoring twice, Jon Sileo, Chuck Grove, Joel Heberlig, and Dave Donmoyer one each.

Of the thirty squad members, nine were seniors. The underclassmen have gained valuable experience, and we hope for a much better season next year.

Trainer: Mr. Snyder. Coaches: Mr. Rhone, Mr. Estright, Mr. Baker.

Homecoming

THE HOMECOMING COURT — l. ro r.: Nancy Pitcher, Honor Attendant; Lois Sherman, Homecoming Queen 1961; Susan Shearer, Homecoming Queen; and Joan Hoover, Honor Attendant.

With the unexpected and untimely arrival of Mr. Winter on November 3, Northern's Homecoming Celebrations were forced to take a back seat. The Homecoming Football Game was postponed until Monday evening, November 5, at Biglerville.

Because of the rescheduling of the Biglerville game, Homecoming was postponed until the following Saturday, when Northern would play host to Boiling Springs.

Out of the nine girls chosen to represent the three upper classes, three were chosen as the Homecoming Court. They were: Queen Susan Shearer, junior; First runner-up Nancy Pitcher, senior; and Second runner-up Joan Hoover, sophomore.

On Saturday afternoon, November 10, the queen and her attendants performed their delayed duties, and that evening held court at the Homecoming Dance, when the queen was crowned with all due pomp and ceremony.

Mr. and Mrs. Bayard Baxter

Parents' Day

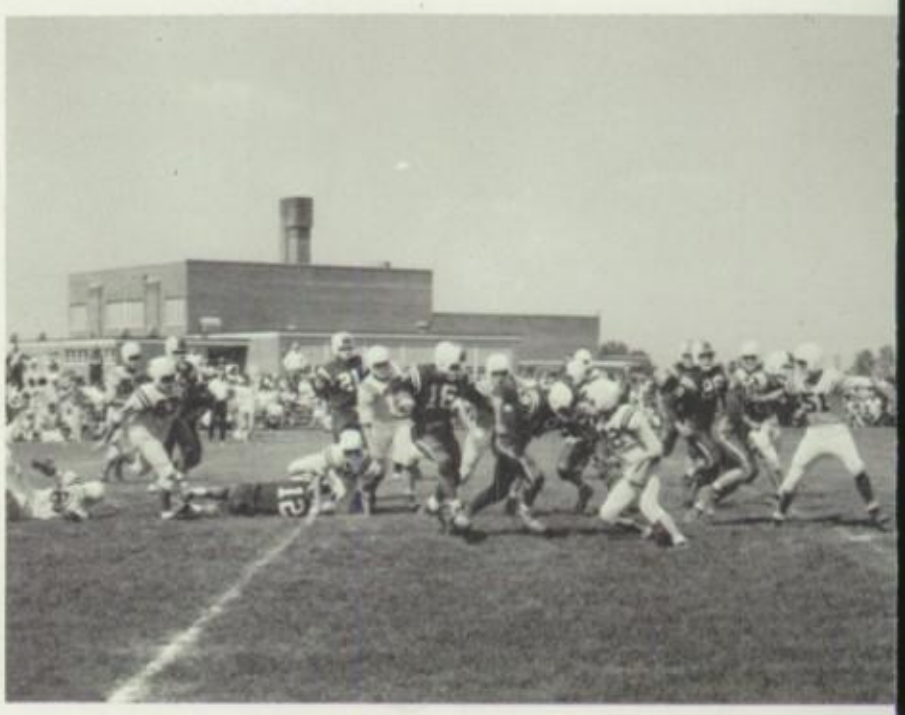
On Saturday afternoon September 22, Northern honored the parents of the varsity football team in their annual Parent's Day Celebrations. The Senior Band formed an archway through which the parents walked. Each mother was presented with a mum and each father with a small football with his son's number. The parents had a joyous day as the team romped to a 27-6 victory over Susquenita.

Mr. and Mrs. Lloyd Grove

Action Packed Games Were the Order of the Day.

Chuck Grove runs end sweep.

Chuck was one of the best quarterbacks in the league. He ran and threw as fine as many of his competitors.



Fran Myers finds running room.

Fran Myers and Jon Sileo were the chief workhorses of the team.

Jon Sileo seeps through the opposition's defense.

Junior High Team Wins All but One

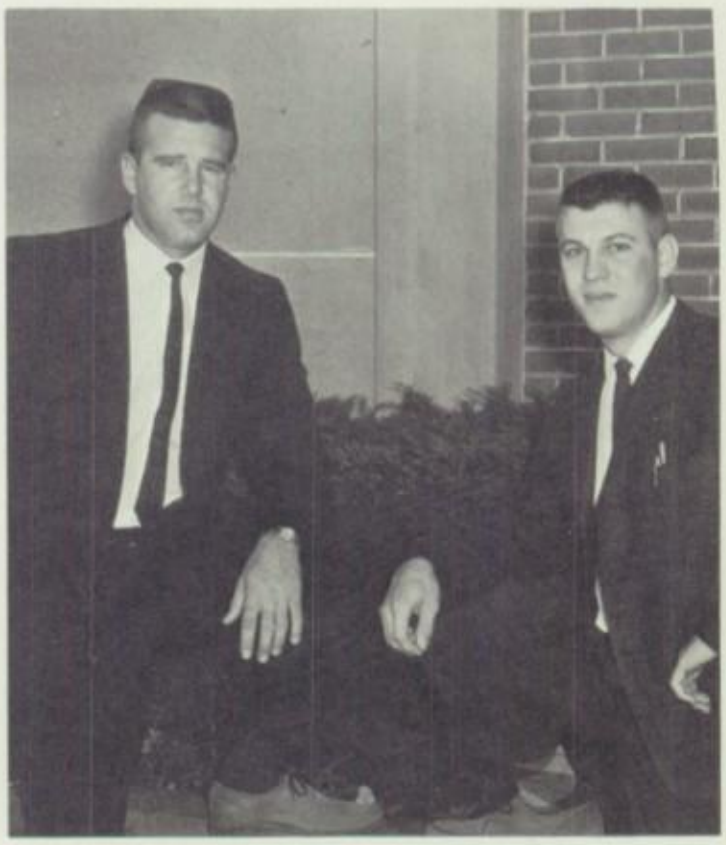
JUNIOR HIGH GRIDDERS

The Junior High Football team, coached by Mr. Blyler and Mr. Cook, produced their first winning season in the history of NHS Junior High Football. Not only was it a winning season, but also a fabulous and outstanding one, with five victories and only one defeat.

Victories came over:

Camp Hill	7-6
West Shore	18-14
Cumberland Valley	14-7
Big Springs	25-0
Bermudian Springs	33-25

The only defeat came against New Cumberland 26-0. The Junior High's offense was highlighted by Larry Flohr at quarterback, and Vernon Vandevender at fullback. Defense was highlighted by Fred Marlow, Dave Smith, Gary Myers, and Randy Patton. At the end of the season, Mr. Blyler commented: "The coach can only win if he has the horses to work for him and certainly we had some strong and powerful horses this year." Mr. Blyler would also like to congratulate the boys on a wonderful season and wish them the best of luck in their football in future years.



COACHES
Mr. Cook and Mr. Blyler

VARSITY CHEERLEADERS: **KNEELING,** l. to r.: E. Loughran, J. Wiley, C. Hertweck, M. Panvini. **STANDING:** L. Stott, B. Nell, S. Yohe, C. Lefever, A. Beard, L. Holstine.

CAPTAINS AND CO-CAPTAINS: **KNEELING,** l. to r.: C. Thuma, L. Berkheimer, C. McClay. **STANDING:** J. Hoover, S. Yohe, C. Smith.

The friendly captain of the Varsity Squad Sandy Yohe.

At the front of every crowd, spurring our football, basketball and wrestling teams on to victory with their vigorous enthusiasm are our energetic cheerleaders. The purpose of a cheerleader is to encourage and build school spirit. The girls, advised by Miss Teats, learn new cheers, sell ribbons and popcorn at the games, sponsor dances after basketball games, sell decals, and conduct peprallies. The cheerleaders also march with the band in various parades. A Senior, Sandy Yohe, was chosen as captain of the Varsity Cheerleaders. Joan Hoover and Cathy Smith acted as co-captains for the Junior Varsity Squad. The girls on the Varsity Squad are selected from girls in grades eleven and twelve; whereas the Junior Varsity are selected from the girls in grades nine and ten. In the rain or cold of a football day or in a crowded hot gym at a basketball game or a wrestling match the boys know that the faithful cheerleaders are rooting for them.

The football team and the basketball team in junior high were rallied on to victory by the squads of the junior high. Carol Thuma and Cathy McClay, Co-Captains, and the other members did their best to arouse the school spirit in the junior high. On Farmers' Day they marched with the Junior High Band. Both the Junior High Varsity and Junior Varsity helped the squads of the senior high cheer for Parents' Day and Homecoming.

SENIOR HIGH JUNIOR VARSITY: **KNEELING,** l. to r.: C. Fedor, M. Knaub, D. Weaver, J. Hoover. **STANDING:** D. McGrow, C. Coale, P. Ross, C. Smith.

GIRLS' FIELD HOCKEY TEAM

Driving the Balls to Score the Goals

This year, Northern's field hockey team began its season with a group of thirty-two girls. Coached by Miss Dietz and led by their co-captains, Jane Dick and Ruth Myers, the girls spent many long hours practicing for their eight games.

The team was especially proud of Nancy Morris, right inner, and Connie Yost, center halfback, who were chosen outstanding players at the hockey play day held last fall. Eleven schools participated in this event.

The biggest game of the season was the game with Camp Hill. In that game, Northern won with a score of 2-1. Northern's two goals were scored by Sue Arnold and Nancy Morris.

Next year, the team will be without Ruth Myers, Nancy Pitcher, Jane Dick, Dianne Seibert, Frances Rinehart, Linda Crouse, and Kendy Weaver. Hard work and strong willpower kept the team in good shape. The final standing of the team was two wins, four losses, two ties, and one cancelled game. The end of the season was celebrated at a party held by Miss Dietz.

CO-CAPTAINS: Ruth Myers and Jane Dick. COACH: Miss Dietz.

High
Varsity

Coached by
Mr. Kistler

Junior High Ball Trains Future Stars

Headed by coaches Kistler and Cook, the Junior High Varsity and Junior High Junior Varsity Basketball Teams had mediocre seasons. The main purpose of Junior High Basketball is to teach the boys the important fundamentals of basketball and to develop the feeling of teamwork within themselves. The lack of height hurt both teams in a number of games. The teams have shown a lot of hustle and quality and should be good material for Varsity ball in a few years.

Eight of the Junior High players will be moving on to Varsity Ball next year. Some to watch out for in the forthcoming years include Fred Marlow, Larry Flohr, Marlin Pifer, Barry Ziegler, and Randy Patton.

The Idea — Put It Through the Hoop

The Varsity Cagers, under the leadership of coach John Allison, whipped into full league action winning their first two games, one against Boiling Springs and the other against Shippensburg. After that day though, Northern players were never the same for the remaining of the first half. Untimely defeats piled on one another and the first half record showed only three wins and six defeats.

Out of the ten Varsity members, five were seniors and five juniors. The five leading seniors were Gary Biller, Chuck Grove, Don Harlacher, Jim Spangler, and Lorin Stough.

Perhaps the best game of the season was the one turned in against Big Spring, the league leader. The Bears turned in an excellent example of hustle and fight and at the end of the regulation play the score was notched at 40-40. A three minute overtime period followed and it was not until the final two seconds that the outcome was decided. Big Spring won 46-44. A heartbreaking defeat, but a great showing of desire by our cagers.

The Junior Varsity, coached by Mr. Blyler, consisted of thirteen boys. These boys gained experience for their forthcoming years as Varsity members.

VARSITY WRESTLING

STANDING: E. Danner, R. Dacheux, M. Sipe, J. Sileo, R. Yost, F. Myers, J. Heberlig. **KNEELING:** R. Myers, R. Witmer, F. Wehler, D. Wolf, G. Merovich.

Their Main Task — Pinning Their Men

Northern's wrestlers got off to a real good start by winning their first three matches by substantial margins and placing third in the Northern Holiday Invitational Tournament. Two of our matmen came off with top honors in this tournament: Jon Sileo and Ron Witmer.

Thanks to the excellent training and guidance of the coaches, Mr. Estright and Mr. Rhone, the team turned in a fine account of itself. All of the boys underwent rigorous training and long practices to perfect their wrestling. "Making weight" seemed to be the primary concern of everyone, as excellent will power overcame good appetites.

Although from week to week the lineup changed, this one seemed to take preference over others: George Merovich 95, Dwight Wolf 103, Frank Wehler 112, Ron Witmer 120, Ronald Myers 127, Ed Danner 133, Raymond Dacheux 138, Joel Heberlig 180, and Dick Yost Unlimited.

This year's squad included nine seniors: Dwight Wolf, David Roberts, Ronald Myers, Jon Sileo, Francis Myers, Melvin Sipe, Robert Long, Joel Heberlig, and Richard Yost. Although the squad will miss these boys next year, we expect to have another good season.

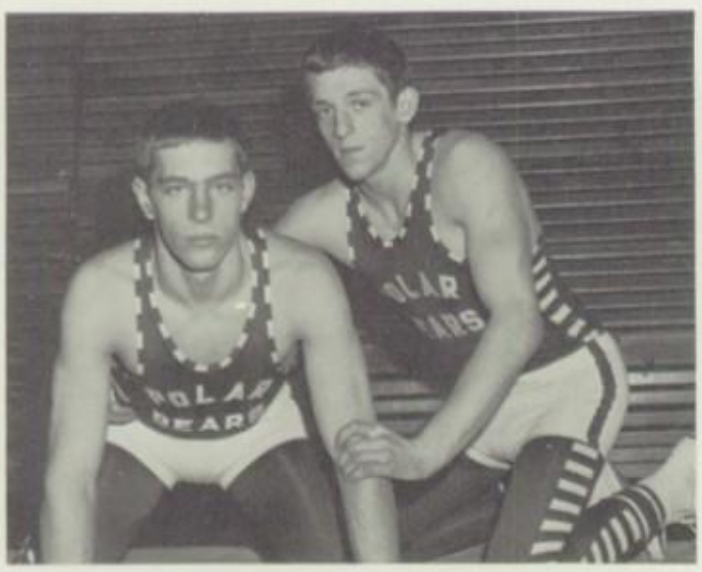
Coaches Rhone and Estright

Wrestling Seniors

Dwight Wolf (103 lb.)
Ronald Myers (127 lb.)

David Roberts (112 lb.)
Robert Long (165 lb.)

Jon Sileo (145 lb.)
Team Captain



Melvin Sipe (165 lb.)
Francis Myers (154 lb.)

Joel Heberlig (180 lb.)
Richard Yost (Unlimited)

FIRST ROW — l. to r.: R. Huffman, R. Yost, J. Heberlig, J. Sileo — Pres., D. Roberts — Sec.-Treas., C. Grove, R. Baxter. **SECOND ROW:** D. Harlacher, R. Long, J. Young, J. Spangler, M. Sipe, L. Stough. **THIRD ROW:** D. Spangler, R. Stevens, D. Reinhard.

Outstanding Athletic Leaders

The purposes of the Varsity Club are to promote better athletics and good sportsmanship, to set higher goals for those participating, to stimulate an interest in athletics, and to set higher athletic standards.

This year's officers were Jon Sileo, President and David Roberts, Secretary-Treasurer. Senior members were Reg Baxter, Chuck Grove, Don Harlacher, Joel Heberlig, Bob Huffman, Bob Long, Francis Myers, Dave Roberts, Jon Sileo, Melvin Sipe, Jim Spangler, Lorin Stough, and Dick Yost.

In order to be eligible for membership in the Varsity Club, a candidate must have received a varsity letter and be active in at least one sport. However, just the receiving of the letter and the participation do not automatically guarantee membership. The candidate must then be voted into the club by the current members.

The club members provide parking directions for all school events as a service project. As a reward for services and achievements, the seniors receive varsity jackets with an emblem symbolizing the sport in which they have received their letters and participated in for four years.

Varsity Club is under the supervision of Coach John Estright.

Northern Queens

Dianne Seibert, Farmers' Fair Queen, was a Senior at Northern this year. She was also a member of the Senior Band, Student Council, Drama Club, and Panorama.

Runners-up in the Farmers' Fair Contest were Janet McMurtrie and Joan Hoover.

Sue Shearer, Homecoming Queen, was a Junior at Northern this year. Sue was Drum Majorette of the Band, and is enrolled in the Business Curriculum.

DIANNE SEIBERT, Farmers' Fair Queen

SUE SHEARER, Homecoming Queen

NANCY PITCHER, Christmas Queen

Runners-up in the Homecoming Contest were Nancy Pitcher and Joan Hoover.

Nancy Pitcher, Christmas Queen, was also a Senior at Northern this year. Nancy was on the hockey team, a member of the Senior High Chorus, and girls sports editor on the yearbook staff.

Runners-up in the Christmas contest were Kendy Weaver, Sandy Yohe, Dianne Seibert, and Jane Dick.

Success! It's found in the soul of you,
And not in the realm of luck!
The world will furnish the work to do,
But you must provide the pluck.
You can do whatever you think you can,
It's all in the way you view it.
It's all in the start you make, young man;
You must feel that you're going to do it.

Linda,

Best of luck to a cute little girl and classmate. Never forget all the fun we had together this year. Especially in Biology class. Always remember those little talks we had in study hall about Vernon. They were dillis weren't they? Stay as sweet as you are now and you will go far.

Remember all the fun we had together in the summer. I hope we will have as much fun this summer to. Take good care of all those boy-friends of yours.

Always (your future cousin in law) ha ha!!

Linda

P.S. Be careful

Linda,

Best of luck in the future years at R.H.S. Never forget all the good times we had together over at your place during the summer time. And all the laughing we did with those pansies. Never forget those pictures your mother took of me in a griddle and hat. Best of luck to a real nice girl and real good friend.
